FINANCIAL

NEW YORK, July 2.—Money—Easy at 1@2%; closed offered 2.

Prima paper—5@6 per cent.

Sterling Bills—Quiet at 4 1/2%; demand 4 1/4%.

Governments—Higher for 4 1/2.

Railways—Strong.

Shares—Buoyant and excited to-day. The bears were much alarmed at the turn in affairs. Round amounts of leading shares were taken with confidence, for home and foreign account. The purchases made due mainly to the fact that a few important railway corporations defaulted on their July interest charges. Reports from the growing regions were of a favorable nature, and this with the published views of Vanderbilt on the situation, had much to do with the improvement. Vanderbilt, Gould and the White party were buyers throughout. In the early dealings the bears rushed into cover, and in their haste bid prices upon themselves. The advance, compared with last night's closing figures, ranged from 1@5 per cent. In the afternoon there were sales to realize, and prices fell off 1@1 per cent in the general list, and 2 1/2 in Union Pacific. Near the close a firmer tone prevailed, and there was a rally of 1@2 per cent. The market closed strong, compared with last night's prices are up 1@5 per cent higher. Union Pacific unchanged.
